PAYMENT CARD INDUSTRY DATA SECURITY STANDARD (PCI DSS)

CERTIFICATE

OF ASSESSMENT COMPLETION

AWARDED TO:

Windcave UAB (Lithuania)

SERVICES:

PCI DSS Level 1 Assessment Services

VikingCloud has completed an assessment of **Windcave UAB (Lithuania)** against the Payment Card Industry Data Security Standard (PCI DSS) **v4.0.1.**

CONDITIONS OF ISSUING:

VikingCloud has issued this certificate to indicate that **Windcave UAB (Lithuania)'s** cardholder data environment has been assessed against the PCI DSS **v4.0.1** Requirements and Assessment Procedures. PCI DSS Level 1 Assessment was completed, and an Attestation of Compliance (AOC) issued on the date of this certificate.

This certificate does not provide a warranty or guarantee in relation to **Windcave UAB (Lithuania)'s** cardholder data environment, including that it is invulnerable to attack or compromise. Accordingly, in no event shall VikingCloud be liable to any party that may rely on this certificate, including where there is loss or damage caused by any failure or breach of **Windcave UAB (Lithuania)'s** systems or payment applications.

This certificate is issued by VikingCloud to confirm only that an assessment was completed. The certificate is not sanctioned by the Payment Card Industry Security Standards Council or any payment brand(s). This certificate does not prove compliance with PCI DSS **v4.0.1**. If you wish to verify PCI DSS compliance, please contact **Windcave** at **compliance@Windcave.com** and request a copy of the Attestation of Compliance (AOC).
